

# Digital Learning Services 2020-2021

Collaborate and Connect to Unlimited Resources Nationwide

## Full-Digital Membership \$8,000

### Live Content:

District classrooms will receive 30 interactive, engaging student lessons via Zoom taught by MVESC staff.

Coordinate and schedule virtual field trip opportunities that correlate with classroom curriculum.

### Collaborate and Connect:

Designated district staff will collaborate and exchange ideas through the monthly Ed Tech Coaching Council.

Network with colleagues around the nation through Professional Learning Circles.

### Bonus with full membership:

**Parent Coaching Assistance:** Virtual coaching session to help parents navigate online learning on district's chosen device. Keep connected with your families when you aren't physically at school. Support them proactively through the new digital process.

### Digital Coaching and Collaboration:

Collaboration with district technology and curriculum teams to determine digital professional development opportunities for staff.

Coach faculty on innovative uses of digital tools to enhance student engagement and participation

Grade-level group coaching for staff to develop online classroom through designated learning management systems.

**\*5 days professional development training (combination of onsite and virtual coaching)**
