

American Sign Language Accelerated Course Option

Complete 2 credits of
World Language in
1 school year!

ASL 1 - Fall Semester
ASL 2 Spring Semester

Do you have students who need a required course but cannot fit it into their current schedule?

Do you have motivated students who need additional world language options?

Do you have students who want to take college credit + approved coursework?

*Students must meet academic requirements to participate in this accelerated world language course.

Our accelerated blended learning ASL course may help fill those gaps for the upcoming school year.
