

## SIGNING IN THE WORKPLACE

### Career-based World Language Options for Students

Are your students in a career track but still need a world language course? Why not choose a career-based world language option? Muskingum Valley ESC is offering a new career focused world language option called “Signing in the Workplace”. In this live-taught course, students will learn **American Sign Language** standards and vocabulary for communicating with the Deaf community in their related career field. This class will be tailored to the career selected by the district. Current options include:

1. Health Science (First Responders/Medical)
2. Education
3. Agriculture (Natural Resources/Food/Agribusiness)

- **Who** Any Junior High, High School, or Career Tech Center
- **What** World Language- “American Sign Language Course” (CCP+ option available)
- **Where** Live via ZOOM directly to your school site
- **When** There are currently still a few time slots available for the 22-23 school year.
- **Cost** \$5000 per semester (15 students) or \$10,000 per year (15-20 students)

*Schedule your district today to prepare them for tomorrow!*
