

Welcome to Preschool

Hi!

I'm Mrs. Hupp and I am so excited to be your child's teacher this upcoming school year! My hope that this upcoming school year brings us many adventures together and is a positive experience for our littlest learners.

This will be my 14th year of teaching preschool aged students. Each year is always different which provides many learning opportunities for myself. My husband, Travis, and I live in Somerset , Ohio. We have a little girl, Piper, who will be 4 in November. Our classroom assistant is Mrs. Gill. This will be our second year working together in our classroom. She and her husband Doug have two children (Millie and Lincoln) who also attend Junction City Elementary.

As our summer days are winding down, I look forward to meeting your child and welcoming them into our classroom. More information will be coming your way with this mailing, but I just wanted to say "hi". I hope you continue to have a great summer!

The best way to contact me before the start of the school year is through email (listed at the bottom). I will not be in the classroom consistently before my return date back to school.

Your Teacher,

Kelli Hupp
