

POSITION VACANCY

Date Posted: January 14, 2026

Position: Long-Term Substitute Multi-Skilled Health Technologies Instructor

Reports to: Director – Buffalo Campus

Starting Date: January 28, 2026

Salary Range: Per Negotiated Agreement

Work Year: Part-Time

Qualifications:

Current and valid nursing license and Baccalaureate degree preferred. Have no restrictions or prior discipline on license. Experience of at least two full-time years in practice as a Registered Nurse, including clinical practice. Experience in acute care and long-term care required with broad experience preferred. Teaching experience is a plus. Pass criminal background checks as required by law.

Responsibilities:

Supervise and direct the clinical experience of students during on-campus lab experiences and at cooperating care facilities. Instruct students in proper procedures and techniques during lab and clinical training. Provide comprehensive classroom and lab-based instruction for the Multi-Skilled Technician program. Incorporate the philosophy and by laws of the nursing program.

Application Deadline: January 22, 2026
